Metastorm Customers Share Results at Gartner Business Process Management Summit 2008

Global Enterprise Software Vendor to Showcase Product Innovation and Customer Success

BALTIMORE, MD – January 29, 2008 – Metastorm, a leading provider of Business Process Management (BPM), Business Process Analysis (BPA), and Enterprise Architecture (EA) software for aligning strategy with execution, today announced its participation in the Gartner Business Process Management Summit 2008 conference being held February 4 - 7, 2008, at Caesars Palace in Las Vegas, NV.

As part of its core agenda, Gartner has invited one of Metastorm's customers – City of New Orleans – to speak at the event on Wednesday, February 6 at 4:30 PM. City of New Orleans will highlight how Metastorm BPM® has helped the city more effectively manage its recovery from Hurricane Katrina.

In addition, as a premier sponsor of the event, Metastorm will actively participate in several capacities, and attendees can see firsthand the power that Metastorm Enterprise™ delivers by combining leading EA, BPA and BPM solutions into a single platform to align strategy, analysis and execution – all from a single vendor.
