

Press Release

Metastorm to Participate in Gartner EMEA Enterprise Architecture Summit

BALTIMORE, MD and LONDON, UK – September 10, 2008 – Metastorm, a leading provider of Business Process Management (BPM), Business Process Analysis (BPA), and Enterprise Architecture (EA) software for aligning strategy with execution, today announced its participation in the Gartner EMEA Enterprise Architecture Summit 2008 conference being held 23-24 September 2008, at the Royal Lancaster in London, UK.

As a platinum sponsor of the event, Metastorm will be on hand to show firsthand the power that Metastorm Enterprise™ delivers by combining leading EA, BPA and BPM solutions into a single platform to align strategy, analysis and execution. Metastorm will showcase customer success stories and demos of its solutions for attendees.

About Metastorm, Inc.

With a focus on enterprise visibility, optimization, and agility, Metastorm offers market-leading solutions for Enterprise Architecture (EA), Business Process Analysis & Modeling (BPA) and Business Process Management (BPM). As an integrated product portfolio, Metastorm Enterprise™ allows organizations to maximize business results by unifying strategy, analysis and execution. Metastorm is the only solution provider to bring together these critical disciplines on a single software platform to enable an understanding of enterprise architecture and strategy, accurate impact and opportunity assessment, effective process execution, and accelerated value realization for organizations worldwide.
