

Metastorm named to KMWorld's "100 Companies that Matter in Knowledge Management" List

Business Process Management recognized for being essential to Knowledge Management

BALTIMORE, MD – February 23, 2010 – Metastorm, a leading provider of Business Process Management (BPM), Business Process Analysis (BPA), and Enterprise Architecture (EA) software for aligning strategy with execution, today announced its inclusion for the seventh straight year in KMWorld Magazine's "100 Companies That Matter in Knowledge Management." This annual list is compiled through discussions with practitioners, theorists, analysts, vendors and their customers and colleagues, and will be featured in KMWorld's March 2010 print issue.

According to KMWorld's editor in chief, Hugh McKellar, "In today's knowledge economy, Metastorm does more than simply throw sophisticated technology at its customers, it provides real solutions through inspired planning and execution throughout the entire constituency chain."
